until 2004. Provides that a child must be at least five years of age on the following dates to officially enroll for the particular school year in a kindergarten program offered by a school corporation: (1) July 1 of the 2001-2002 school year. (2) August 1 of the 2002-2003 school year. (3) September 1 of the 2003-2004 school year or any subsequent school year. (Current law requires that a child must be at least five years of age on June 1 to officially enroll in a kindergarten program.) Allows the governing body of a school corporation to adopt a procedure affording a parent the right to appeal to the school superintendent for kindergarten enrollment of a child who is not at least five years of age on the statutory date (instead of requiring a school corporation to adopt the procedure). Increases the staff cost amount used in the determination of primetime distributions. Deletes the proposed maximum annual primetime funding increase of 2.5%. (Current law provides that a school corporation's primetime funding may increase no more than 13% over the previous year's funding.) Amends the definition of "previous year revenue" for purposes of the school funding formula. Changes the method in which a school corporation's "target revenue per ADM" is calculated. Includes a new index based on a school corporation's at-risk index, the percentage of students eligible for free or reduced price lunches, and the percentage of the school corporation's students who are classified as having limited proficiency in English. Replaces the 2% minimum guarantee with a 1% guarantee on revenue per ADM. Amends the provision determining a school corporation's "target general fund property tax rate". Deletes the provision that entitles a school corporation to an enrollment adjustment grant if the school corporation's ADM for the current year is at least 5% more than the school corporation's previous year ADM. Changes the dollar amounts used in determining the academic honors diploma award. Removes a provision that allows a school corporation to give the money received by the corporation as an academic honors diploma award to eligible pupils in the corporation who have successfully completed an academic honors diploma program. Includes a transitional provision that allows a school corporation to make awards that have been promised to students currently in high school. Specifies the amount of the per-pupil special education grants. Changes the manner in which the at-risk grant is calculated. For purposes of the vocational education formula that becomes effective in 2002, requires the department of workforce development to provide the department of education with a report listing whether the Indiana average wage level for each generally recognized labor category is a high wage, a moderate wage, or a less than moderate wage. Uses this wage report (along with the reports categorizing vocational education programs by employment demand) in determining the amount of the vocational education grants. Eliminates the vocational education funding component for pupils receiving a certificate of achievement. Provides vocational education funding of \$135 per pupil for pupils participating in a vocational education program in which pupils from multiple schools are served at a common location. Moves the funding of family and consumer science programs from the vocational education grant calculation to the regular program calculation. Changes the expiration date of the law governing vocational education grants from January 1, 2002, to January 1, 2004. Provides a guaranteed distribution amount in 2002 and 2003. Authorizes the trustees of Purdue University to issue bonds for the purpose of constructing, remodeling, renovating, furnishing, and equipping the Recreation Gymnasium project at the West Lafayette campus. Provides that the project is not eligible for fee replacement. Provides that the Indiana war memorials commission may hire employees only with the approval of the budget agency. Provides that the budget director or the budget director's designee is a member of the recreational development commission. Establishes the state museum

development fund for the purpose of promoting interest in and use of the Indiana state museum. Provides that the fund consists of revenue generated by exhibit fees, concessions, donations, grants, and other miscellaneous revenue. Transfers \$10,000,000 from the underground petroleum storage tank excess liability trust fund to the environmental remediation revolving loan fund as follows: (1) \$5,000,000 on July 1, 2001; and (2) \$5,000,000 on July 1, 2002. Appropriates money from the build Indiana fund to the property tax replacement fund. Makes certain items ineligible for the personal property tax reduction credit, and specifies eligibility for the credit in each county. Eliminates from the drug utilization review board one member who: (1) is employed by a health maintenance organization that has a pharmacy benefit; and (2) has expertise in formulary development and pharmacy benefit administration. Gives responsibility for placing an outpatient drug on prior approval to the office of Medicaid policy and planning (the "office"), instead of the board. Simplifies the process for placing an outpatient drug on prior approval. Requires the office, instead of the board, to include in the Medicaid state plan the creation and implementation of a retrospective and prospective DUR program for Medicaid outpatient drugs. Provides that a formulary used by a Medicaid managed care organization is not subject to the Medicaid DUR program, but is subject to the DUR program for health maintenance organizations. Provides that the homestead credit percentage shall be 10% in 2002 and 2003.

SENATE EXPENSES

| | | |
|--------------------------------|------------------|------------------|
| Total Operating Expense | 6,340,692 | 6,928,192 |
|--------------------------------|------------------|------------------|

Included in the above appropriations for house and senate expenses are funds for a legislative business per diem allowance, meals and other usual and customary expenses associated with legislative affairs. Except as provided below, this allowance is to be paid to each member of the general assembly for every day, including Sundays, during which the general assembly is convened in regular or special session, commencing with the day the session is officially convened and concluding with the day the session is adjourned sine die. However, after five (5) consecutive days of recess, the legislative business per diem allowance is to be made on an individual voucher basis until the recess concludes.

Members of the general assembly are entitled, when authorized by the speaker of the house or the president pro tempore of the senate, to the legislative business per diem allowance for each and every day engaged in official business.

The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

In addition to the legislative business per diem allowance, each member of the general assembly shall receive the mileage allowance in an amount equal to the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service for each mile necessarily traveled from the member's usual place

of residence to the state capitol. However, if the member traveled by a means other than by motor vehicle, and the member's usual place of residence is more than one hundred (100) miles from the state capitol, the member is entitled to reimbursement in an amount equal to the lowest air travel cost incurred in traveling from the usual place of residence to the state capitol. During the period the general assembly is convened in regular or special session, the mileage allowance shall be limited to one (1) round trip each week per member.

Any member of the general assembly who is appointed, either by the governor, speaker of the house, president or president pro tempore of the senate, house or senate minority floor leader, or Indiana legislative council to serve on any research, study, or survey committee or commission, or who attends any meetings authorized or convened under the auspices of the Indiana legislative council, including pre-session conferences and federal-state relations conferences, is entitled, when authorized by the legislative council, to receive the legislative business per diem allowance for each day in actual attendance and is also entitled to a mileage allowance, at the rate specified above, for each mile necessarily traveled from the member's usual place of residence to the state capitol, or other in-state site of the committee, commission, or conference. The per diem allowance and the mileage allowance permitted under this paragraph shall be paid from the legislative council appropriation for legislator and lay member travel unless the member is attending an out-of-state meeting, as authorized by the speaker of the house of representatives or the president pro tempore of the senate, in which case the member is entitled to receive:

- (1) the legislative business per diem allowance for each day the member is engaged in approved out-of-state travel; and
- (2) reimbursement for traveling expenses actually incurred in connection with the member's duties, as provided in the state travel policies and procedures established by the legislative council.

Notwithstanding the provisions of this or any other statute, the legislative council may adopt, by resolution, travel policies and procedures that apply only to members of the general assembly or to the staffs of the house of representatives, senate, and legislative services agency, or both members and staffs. The legislative council may apply these travel policies and procedures to lay members serving on research, study, or survey committees or commissions that are under the jurisdiction of the legislative council. Notwithstanding any other law, rule, or policy, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency do not apply to members of the general assembly, to the staffs of the house of representatives, senate, or legislative services agency, or to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council (if the legislative council applies its travel policies and procedures to lay members under the authority of this SECTION), except that, until the legislative council adopts travel policies and procedures, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency apply to members of the general assembly, to the staffs of the house of representatives, senate, and legislative services agency, and to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council. The executive director of the legislative services agency is responsible for the administration

of travel policies and procedures adopted by the legislative council. The auditor of state shall approve and process claims for reimbursement of travel related expenses under this paragraph based upon the written affirmation of the speaker of the house of representatives, the president pro tempore of the senate, or the executive director of the legislative services agency that those claims comply with the travel policies and procedures adopted by the legislative council. If the funds appropriated for the house and senate expenses and legislative salaries are insufficient to pay all the necessary expenses incurred, including the cost of printing the journals of the house and senate, there is appropriated such further sums as may be necessary to pay such expenses.

The sums herein appropriated to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech State College, and the Indiana Higher Education Telecommunications System (IHETS) are in addition to all income of said institutions and IHETS, respectively, from all permanent fees and endowments and from all land grants, fees, earnings, and receipts, including gifts, grants, bequests, and devises, and receipts from any miscellaneous sales from whatever source derived.

All such income and all such fees, earnings, and receipts on hand June 30, 2001, and all such income and fees, earnings, and receipts accruing thereafter are hereby appropriated to the boards of trustees or directors of the aforementioned institutions and IHETS and may be expended for any necessary expenses of the respective institutions and IHETS, including university hospitals, schools of medicine, nurses' training schools, schools of dentistry, and agricultural extension and experimental stations. However, such income, fees, earnings, and receipts may be used for land and structures only if approved by the governor and the budget agency.

The foregoing appropriations and allocations for fee replacement are for replacement of student fees deducted during the 2001-2003 biennium to cover bond or lease-purchase principal, interest, and other obligations of debt costs of facility construction and acquisition for those projects authorized by the general assembly. These fee replacement appropriations and allocations shall be allotted by the budget agency after receipt of verification of payment of such debt cost expense.

The foregoing appropriations to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech State College, and IHETS include the employers' share of Social Security payments for university and IHETS employees under the public employees' retirement fund, or institutions covered by the Indiana state teachers' retirement fund. The funds appropriated also include funding for the employers' share of payments to the public employees' retirement fund and to the Indiana state teachers' retirement fund at a rate to be established by the retirement funds for both fiscal years for each institution and for IHETS employees covered by these retirement plans.

The treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Ivy Tech State College shall, at the end of each three (3) month period, prepare and file with the auditor of state a financial statement that shall show in total all revenues received from any source, together with a consolidated statement of disbursements for the same period. The budget director shall establish the requirements

for the form and substance of the reports.

The reports of the treasurer also shall contain in such form and in such detail as the governor and the budget agency may specify, complete information concerning receipts from all sources, together with any contracts, agreements, or arrangements with any federal agency, private foundation, corporation, or other entity from which such receipts accrue.

All such treasurers' reports are matters of public record and shall include without limitation a record of the purposes of any and all gifts and trusts with the sole exception of the names of those donors who request to remain anonymous.

Notwithstanding IC 4-10-11, the auditor of state shall draw warrants to the treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, and Ivy Tech State College on the basis of vouchers stating the total amount claimed against each fund and/or account, but not to exceed the legally made appropriations. The operating money may be claimed on the basis of twelve (12) equal installments to be claimed monthly starting in July and ending in June of each fiscal year after allotment by the budget agency.

Notwithstanding IC 4-12-1-14, for universities and colleges supported in whole or in part by state funds, grant applications and lists of applications need only be submitted upon request to the budget agency for review and approval or disapproval and, unless disapproved by the budget agency, federal grant funds may be requested and spent without approval by the budget agency. Each institution shall retain the applications for a reasonable period of time and submit a list of all grant applications, at least monthly, to the commission for higher education for informational purposes.

For all university special appropriations, an itemized list of intended expenditures, in such form as the governor and the budget agency may specify, shall be submitted to support the allotment request. All budget requests for university special appropriations shall be furnished in a like manner and as a part of the operating budgets of the state universities.

The trustees of Indiana University, the trustees of Purdue University, the trustees of Indiana State University, the trustees of University of Southern Indiana, the trustees of Ball State University, the trustees of Vincennes University, the trustees of Ivy Tech State College, and the directors of IHETS are hereby authorized to accept federal grants, subject to IC 4-12-1.

All appropriations provided by this act or any other statute, for traveling and hotel expenses for any department, officer, agent, employee, person, trustee, or commissioner, are to be used only for travel within the state of Indiana, unless those expenses are incurred in traveling outside the state of Indiana on trips that previously have received approval as required by the state travel policies and procedures established by the Indiana department of administration and the budget agency. With the required approval, a reimbursement for out-of-state travel expenses may be granted in an amount not to exceed actual lodging and miscellaneous expenses incurred. A person in travel status is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service for properly approved travel within the continental United States and a minimum of \$50 during any twenty-four (24) hour period for properly approved travel outside the continental United States. However, while traveling in Japan, the minimum meal allowance shall not be less than \$90 for any twenty-four (24) hour period. While traveling in Korea and Taiwan, the minimum meal allowance shall not be less than \$85 for any twenty-four (24) hour period; while traveling in Singapore, China, Great Britain, Germany, the Netherlands, and France, the minimum meal allowance shall not be less than \$65 for any twenty-four (24) hour period.

In the case of the state supported institutions of postsecondary education, approval for out-of-state travel may be given by the chief executive officer of the institution, or the chief executive officer's authorized designee, for the chief executive officer's respective personnel.

Before reimbursing overnight travel expenses, the auditor of state shall require documentation as prescribed in the state travel policies and procedures established by the Indiana department of administration and the budget agency. No appropriation

from any fund may be construed as authorizing the payment of any sum in excess of the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service when used in the discharge of state business. The Indiana department of administration and the budget agency may adopt policies and procedures relative to the reimbursement of travel and moving expenses of new state employees and the reimbursement of travel expenses of prospective employees who are invited to interview with the state.

SECTION 20. [EFFECTIVE JULY 1, 2001]

The salary per diem of members of boards, commissions, and councils who are entitled to a salary per diem is \$75 per day. However, members of boards, commissions, or councils who receive an annual or a monthly salary paid by the state are not entitled to the salary per diem provided in IC 4-10-11-2.1.

SECTION 21. [EFFECTIVE JULY 1, 2001]

No payment for personal services shall be made by the auditor of state unless the payment has been approved by the budget agency or the designee of the budget agency.

SECTION 22. [EFFECTIVE JULY 1, 2001]

No warrant for operating expenses, capital outlay, or fixed charges shall be issued to any department or an institution unless the receipts of the department or institution have been deposited into the state treasury for the month. However, if a department or an institution has more than \$10,000 in daily receipts, the receipts shall be deposited into the state treasury daily.

SECTION 23. [EFFECTIVE JULY 1, 2001]

In case of loss by fire or any other cause involving any state institution or department, the proceeds derived from the settlement of any claim for the loss shall be deposited in the state treasury, and the amount deposited is hereby reappropriated to the institution or department for the purpose of replacing the loss. If it is determined that the loss shall not be replaced, any funds received from the settlement of a claim shall be deposited into the state general fund.

SECTION 24. [EFFECTIVE JULY 1, 2001]

If an agency has computer equipment in excess of the needs of that agency, then the excess computer equipment may be sold under the provisions of surplus property sales, and the proceeds of the sale or sales shall be deposited in the state treasury. The amount so deposited is hereby reappropriated to that agency for other operating expenses of the then current year, if approved by the director of the budget agency.

SECTION 25. [EFFECTIVE JULY 1, 2001]

If any state penal or benevolent institution other than the Indiana state prison, Pendleton correctional facility, or Putnamville correctional facility shall, in the

operation of its farms, produce products, or commodities in excess of the needs of the institution, the surplus may be sold through the division of industries and farms, the director of the supply division of the Indiana department of administration, or both. The proceeds of any such sale or sales shall be deposited in the state treasury. The amount deposited is hereby reappropriated to the institution for expenses of the then current year if approved by the director of the budget agency. The exchange between state penal and benevolent institutions of livestock for breeding purposes only is hereby authorized at valuations agreed upon between the superintendents or wardens of the institutions. Capital outlay expenditures may be made from the institutional industries and farms revolving fund if approved by the budget agency and the governor.

SECTION 26. [EFFECTIVE JULY 1, 2001]

This act does not authorize any rehabilitation and repairs to any state buildings, nor does it allow that any obligations be incurred for lands and structures, without the prior approval of the budget director or the director's designee. This SECTION does not apply to contracts for the construction or maintenance of roads and bridges, to the acquisition of rights-of-way for roads or bridges, or to the state universities supported in whole or in part by state funds.

SECTION 27. [EFFECTIVE JULY 1, 2001]

If an agency has an annual appropriation fixed by law, and if the agency also receives an appropriation in this act for the same function or program, the appropriation in this act supersedes any other appropriations and is the total appropriation for the agency for that program or function.

SECTION 28. [EFFECTIVE JULY 1, 2001]

The balance of any appropriation or funds heretofore placed or remaining to the credit of any division of the state of Indiana, and any appropriation or funds provided in this act placed to the credit of any division of the state of Indiana, the powers, duties, and functions whereof are assigned and transferred to any department for salaries, maintenance, operation, construction, or other expenses in the exercise of such powers, duties, and functions, shall be transferred to the credit of the department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

SECTION 29. [EFFECTIVE JULY 1, 2001]

The director of the division of procurement of the Indiana department of administration, or any other person or agency authorized to make purchases of equipment, shall not honor any requisition for the purchase of an automobile that is to be paid for from any appropriation made by this act or any other act, unless the following facts are shown to the satisfaction of the commissioner of the department of administration or the commissioner's designee.

(1) In the case of an elected state officer, it shall be shown that the duties of the office require driving about the state of Indiana in the performance of official duty.

(2) In the case of department or commission heads, it shall be shown that the statutory duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.

(3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment. In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total. Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner's designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

SECTION 30. [EFFECTIVE JULY 1, 2001]

When budget agency approval or review is required under this act, the budget agency may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. The budget committee may hold hearings and take any actions authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

SECTION 31. [EFFECTIVE JULY 1, 2001]

The governor of the state of Indiana is solely authorized to accept on behalf of the state any and all federal funds available to the state of Indiana. Federal funds received under this SECTION are appropriated for purposes specified by the federal government, subject to allotment by the budget agency. The provisions of this SECTION and all other SECTIONS concerning the acceptance, disbursement, review, and approval of any grant, loan, or gift made by the federal government or any other source to the state or its agencies and political subdivisions shall apply, notwithstanding any other law.

SECTION 32. [EFFECTIVE JULY 1, 2001]

Federal funds received as revenue by a state agency or department are not available to the agency or department for expenditure until allotment has been made by the budget agency under IC 4-12-1-12(d).

SECTION 33. [EFFECTIVE JULY 1, 2001]

A contract or an agreement for personal services or other services may not be entered into by any agency or department of state government without the approval of the budget agency or the designee of the budget director. Each demand for payment submitted

by the agency or department to the auditor of state by claim voucher under such contracts or agreements shall be accompanied by a copy of the budget agency approval, or approval of any agency to whom the budget agency delegated signature authority, and no payment shall be made by the auditor of state without such approval. This SECTION does not apply to any contract entered into by an agency or department of state government that is the result of a public works project contract under IC 4-13.6.

SECTION 34. [EFFECTIVE JULY 1, 2001]

Except in those cases where a specific appropriation has been made to cover the payments for any of the following, the auditor of state shall transfer, from the personal services appropriations for each of the various agencies and departments, necessary payments for Social Security, public employees' retirement, health insurance, life insurance, and any other similar payments directed by the budget agency.

SECTION 35. [EFFECTIVE JULY 1, 2001]

Subject to SECTION 30 of this act as it relates to the budget committee, the budget agency with the approval of the governor may withhold allotments of any or all appropriations contained in this act for the 2001-2003 biennium, if it is considered necessary to do so in order to prevent a deficit financial situation.

STEP ONE: Determine the result of:

(A) the school corporation's adjusted target property tax rate; minus

4 (B) is less than the school corporation's previous year property tax rate, perform the calculation
5 under STEP FIVE and not under STEP FOUR; or

- STEP SIX: Determine the greater of zero (0) or the result of:

1 (A) the STEP TWO amount; minus

2 (B) the STEP FIVE amount.

3 STEP SEVEN: Determine the result of:

4 (A) the STEP SIX amount; multiplied by

5 (B) the staff cost amount.

6 STEP EIGHT: Determine the greater of the STEP SEVEN amount or the school corporation's
7 guaranteed amount.

8 STEP NINE: **If the amount the school corporation received under this chapter in the previous**
9 **calendar year is greater than zero (0),** determine the lesser of:

10 (A) the STEP EIGHT amount; or

11 (B) the amount the school corporation received under this chapter for the previous calendar year
12 multiplied by one hundred thirteen percent (113%).

13 For 2000 calculations, the amount the school corporation received under this chapter for the previous

(a) As used in this section, "single source drug" means a covered outpatient drug that is produced or distributed under an original new drug application approved by the federal Food and Drug Administration, including a drug product marketed by any cross-licensed producers or distributors operating under the new drug application.

(b) Before If the board office develops a program to place a single source an outpatient drug on prior approval, restrict the drug in its use, or establish a drug monitoring process or program to measure or restrict utilization of single source drugs other than in the SURS program, the board must meet the following conditions: it shall ensure the following:

(1) Make a determination, after considering evidence and credible information provided to the board by the office and the public, that placing a single source drug on prior approval or restricting the drug's use will not:

(A) impede the quality of patient care in the Medicaid program; or

(B) increase costs in other parts of the Medicaid program, including hospital costs and physician costs.

(2) Meet to review a formulary or a restriction on a single source drug after the office provides at least thirty (30) days notification to the public that the board will review the formulary or restriction on a

(3). Ensure that:

(A) there is access to at least two (2) alternative drugs within each therapeutic classification, if available, on the formulary; and

(B) A process is in place through which a Medicaid recipient has access to medically necessary drugs.

(4) Reconsider the drug's removal from its restricted status or from prior approval not later than six (6) months after the single source drug is placed on prior approval or restricted in its use.

(5) Ensure that (2) The program provides either telephone or FAX approval or denial Monday through Friday, twenty-four (24) hours a day. The office must provide the approval or denial within twenty-four (24) hours after receipt of a prior approval request. The program must provide for the dispensing of at least a seventy-two (72) hour supply of the drug in an emergency situation or on weekends.

(6) Ensure that (3) Any prior approval program or restriction on the use of a single source drug is not applied to prevent acceptable medical use for appropriate off-label indications.

(c) The board shall advise the office on the implementation of any program to restrict the use of brand name multisource drugs.

(d) The board shall consider:

(1) health economic data;

(2) cost data; and

Sec. 2. (a) Except as otherwise provided in section 5 of this chapter, an individual who on March 1 of a

particular year either owns or is buying a homestead under a contract that provides the individual is to pay the property taxes on the homestead is entitled each calendar year to a credit against the property taxes which the individual pays on the individual's homestead. However, only one (1) individual may receive a credit under this chapter for a particular homestead in a particular year.

(b) The amount of the credit to which the individual is entitled equals the product of:

(1) the percentage prescribed in subsection (d); multiplied by

(2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, which is attributable to the homestead during the particular calendar year.

(c) For purposes of determining that part of an individual's property tax liability that is attributable to the individual's homestead, all deductions from assessed valuation which the individual claims under IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's homestead is located must be applied first against the assessed value of the individual's homestead before those deductions are applied against any other property.

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

| YEAR | PERCENTAGE OF THE CREDIT |
|-------------------------------------|-----------------------------|
| 1996 | 8% |
| 1997 | 6% |
| 1998 through 2001 2003 | 10% |
| 2002 2004 and thereafter | 4% |

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year, if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless as provided in this subsection the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

(e) Before October 1 of each year, the assessor shall furnish to the county auditor the amount of the assessed valuation of each homestead for which a homestead credit has been properly filed under this chapter.

(f) The county auditor shall apply the credit equally to each installment of taxes that the individual pays for the property.

(g) Notwithstanding the provisions of this chapter, a taxpayer other than an individual is entitled to the credit provided by this chapter if:

(1) an individual uses the residence as the individual's principal place of residence;

(2) the residence is located in Indiana;

(3) the individual has a beneficial interest in the taxpayer;

(4) the taxpayer either owns the residence or is buying it under a contract, recorded in the county recorder's office, that provides that the individual is to pay the property taxes on the residence; and

SECTION 42. [EFFECTIVE JULY 1, 2001]

(a) Notwithstanding IC 12-15, any other law, or any rule, if the budget director makes a determination at any time during either fiscal year of the biennium that Medicaid expenditures to date are at a level that may cause total expenditures for the year to exceed total Medicaid appropriations for the year, the budget director may, after review by the budget committee, direct the secretary to adopt emergency rules to the Medicaid program to decrease expenditures that have risen significantly to limit Medicaid expenditures to the Medicaid appropriations in this act. Adjustments under this subsection may not:

- (1) violate a provision of federal law; or
- (2) jeopardize the state's share of federal financial participation;

applicable to the state appropriations contained in the biennial budget for Medicaid assistance and Medicaid administration.

(b) If the Medicaid appropriation under this act is exhausted, then notwithstanding IC 4-10-18, the state budget agency, with the approval of the governor and after review by the state budget committee, may transfer, from the counter-cyclical revenue and economic stabilization fund to the state general fund, an amount necessary to maintain a positive balance in the state general fund, but not to exceed sixty-seven million dollars (\$67,000,000) over the biennium.

SECTION 43. [EFFECTIVE JULY 1, 2001] The trustees of Purdue University may issue and sell bonds under IC 20-12-6, subject to the approvals required by IC 20-12-5.5, for the purpose of constructing, remodeling, renovating, furnishing, and equipping the Recreation Gymnasium project (\$5,000,000) at the West Lafayette campus. The project is not eligible for fee replacement.

SECTION 44. IC 4-12-1-14.3, AS AMENDED BY P.L.21-2000, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2001]: Sec. 14.3. (a) As used in this section, "master settlement agreement" has the meaning set forth in IC 24-3-3-6.

(b) There is hereby created the Indiana tobacco master settlement agreement fund for the purpose of depositing and distributing money received under the master settlement agreement. The fund consists of:

- (1) all money received by the state under the master settlement agreement;
- (2) appropriations made to the fund by the general assembly; and
- (3) grants, gifts, and donations intended for deposit in the fund.

(c) Money may be expended, transferred, or distributed from the fund during a state fiscal year only in amounts permitted by subsections (d) through (e), and only if the expenditures, transfers, or distributions are specifically authorized by another statute.

(d) The maximum amount of expenditures, transfers, or distributions that may be made from the fund during the state fiscal year beginning July 1, 2000, is determined under STEP THREE of the following formula:

STEP ONE: Determine the sum of money received or to be received by the state under the master settlement agreement before July 1, 2001.

STEP TWO: Subtract from the STEP ONE sum the amount appropriated by P.L.273-1999, SECTION 8, to the children's health insurance program from funds accruing to the state from the tobacco settlement for the state fiscal years beginning July 1, 1999, and July 1, 2000.

STEP THREE: Multiply the STEP TWO remainder by fifty percent (50%).

(e) The maximum amount of expenditures, transfers, or distributions that may be made from the fund during the state fiscal year beginning July 1, 2001, and each state fiscal year after that is ~~equal to: sixty percent (60%)~~ **of determined under STEP FOUR of the following formula:**

STEP ONE: Determine the amount of money received or to be received by the state under the master settlement agreement during that state fiscal year.

STEP TWO: Subtract from the STEP ONE amount the amount appropriated to the children's health insurance program for that state fiscal year from funds accruing to the state from the tobacco settlement.

STEP THREE: Multiply the STEP TWO remainder by seventy-five percent (75%).

STEP FOUR: Add to the STEP THREE product any amounts that were available for expenditure, transfer, or distribution under this subsection or subsection (d) during preceding state fiscal years but that were not expended, transferred, or distributed.

(f) The following amounts shall be retained in the fund and may not be expended, transferred, or otherwise distributed from the fund:

- (1) All of the money that is received by the state under the master settlement agreement and remains in the fund after the expenditures, transfers, or distributions permitted under subsections (c) through (e).
- (2) All interest that accrues from investment of money in the fund, unless specifically appropriated by the general assembly. **Interest that is appropriated from the fund by the general assembly may not be**

considered in determining the maximum amount of expenditures, transfers, or distributions under subsection (e).

(g) The fund shall be administered by the budget agency. Notwithstanding IC 5-13, the treasurer of state shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as money is invested by the public employees retirement fund under IC 5-10.3-5. The treasurer of state may contract with investment management professionals, investment advisors, and legal counsel to assist in the **management investment** of the fund and may pay the state expenses incurred under those contracts from the fund. Interest that accrues from these investments shall be deposited in the fund. Money in the fund at the end of the state fiscal year does not revert to the state general fund.

(h) Amounts appropriated for the regional health facilities construction account shall be transferred before any other expenditures, transfers, or distributions are made from the fund.

(i) The state general fund is not liable for payment of a shortfall in expenditures, transfers, or distributions from the Indiana tobacco master settlement agreement fund or any other fund due to a delay, reduction, or cancellation of payments scheduled to be received by the state under the master settlement agreement. If such a shortfall occurs in any state fiscal year, **at the budget agency shall make the full transfer to the regional health facilities construction account and then reduce all remaining** expenditures, transfers, and distributions affected by the shortfall. ~~shall be reduced proportionately.~~

SECTION 76. IC 8-14-1-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2001]: Sec. 3.

(a) The money collected for the motor vehicle highway account fund and remaining after refunds and the payment of all expenses incurred in the collection thereof, and after the deduction of the amount appropriated to the department for traffic safety and after the deduction of one-half (1/2) of the amount appropriated for the state police department, shall be allocated to and distributed among the department and subdivisions designated as follows:

(1) Of the net amount in the motor vehicle highway account the auditor of state shall set aside for the cities and towns of the state fifteen percent (15%) thereof. This sum shall be allocated to the cities and towns upon the basis that the population of each city and town bears to the total population of all the cities and towns and shall be used for the construction or reconstruction and maintenance of streets and alleys and shall be annually budgeted as now provided by law. However, no part of such sum shall be used for any other purpose than for the purposes defined in this chapter. If any funds allocated to any city or town shall be used by any officer or officers of such city or town for any purpose or purposes other than for the purposes as defined in this chapter, such officer or officers shall be liable upon their official bonds to such city or town in such amount so used for other purposes than for the purposes as defined in this chapter, together with the costs of said action and reasonable attorney fees, recoverable in an action or suit instituted in the name of the state of Indiana on the relation of any taxpayer or taxpayers resident of such city or town. A monthly distribution thereof of funds accumulated during the preceding month shall be made by the auditor of state.

(2) Of the net amount in the motor vehicle highway account, the auditor of state shall set aside for the counties of the state thirty-two percent (32%) thereof. However, as to the allocation to cities and towns under subdivision (1), and as to the allocation to counties under this subdivision in the event that the amount in the motor vehicle highway account fund remaining after refunds and the payment of all expenses incurred in the collection thereof and after deduction of any amount appropriated by the general assembly for public safety and policing shall be less than twenty-two million six hundred and fifty thousand dollars (\$22,650,000), in any fiscal year then the amount so set aside in the next calendar year for distributions to counties shall be reduced fifty-four percent (54%) of such deficit and the amount so set aside for distribution in the next calendar year to cities and towns shall be reduced thirteen percent (13%) of such deficit. Such reduced distributions shall begin with the distribution January 1 of each year.

(3) The amount set aside for the counties of the state under the provisions of subdivision (2) shall be allocated monthly upon the following basis:

(A) Five percent (5%) of the amount allocated to the counties to be divided equally among the ninety-two (92) counties.

(B) Sixty-five percent (65%) of the amount allocated to the counties to be divided on the basis of the ratio of the actual miles, now traveled and in use, of county roads in each county to the total mileage of county roads in the state, which shall be annually determined, accurately, by the department.

(C) Thirty percent (30%) of the amount allocated to the counties to be divided on the basis of the ratio of the motor vehicle registrations of each county to the total motor vehicle registration of the state.

All money so distributed to the several counties of the state shall constitute a special road fund for each of the respective counties and shall be under the exclusive supervision and direction of the board of county commissioners in the construction, reconstruction, maintenance, or repair of the county highways or bridges on such county highways within such county.

(4) Each month the remainder of the net amount in the motor vehicle highway account shall be credited to the state highway fund for the use of the department.

- (5) Money in the fund may not be used for any toll road or toll bridge project.
- (6) Notwithstanding any other provisions of this section, money in the motor vehicle highway account fund may be appropriated to the Indiana department of transportation from the forty-seven percent (47%) distributed to the political subdivisions of the state to pay the costs incurred by the department in providing services to those subdivisions.
- (7) Notwithstanding any other provisions of this section or of IC 8-14-8, for the purpose of maintaining a sufficient working balance in accounts established primarily to facilitate the matching of federal and local money for highway projects, money may be appropriated to the Indiana department of transportation as follows:

(A) One-half (1/2) from the forty-seven percent (47%) set aside under subdivisions (1) and (2) for counties and for those cities and towns with a population greater than five thousand (5,000).

(B) One-half (1/2) from the distressed road fund under IC 8-14-8.

(b) After all of the distributions have been made under subsection (a), amounts appropriated by the general assembly from the motor vehicle highway account fund to the public mass transportation fund, the industrial rail service fund, and the commuter rail service fund may be distributed to those funds."

"SECTION 82. IC 6-1.1-19-1.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2002]: **Sec. 1.5. (a) The following definitions apply throughout this section and IC 21-3-1.7:**

(1) "Adjustment factor" means the adjustment factor determined by the state board of tax commissioners for a school corporation under IC 6-1.1-34.

(2) "Adjusted target property tax rate" means:

(A) the school corporation's target general fund property tax rate determined under IC 21-3-1.7-6.8; multiplied by

(B) the school corporation's adjustment factor.

(3) "Previous year property tax rate" means the school corporation's previous year general fund property tax rate after the reductions cited in IC 21-3-1.7-5(1), IC 21-3-1.7-5(2), and IC 21-3-1.7-5(3).

(b) Except as otherwise provided in this chapter, a school corporation may not, for an ensuing calendar year, impose a general fund ad valorem property tax levy which exceeds the following:

STEP ONE: Determine the result of:

(A) the school corporation's adjusted target property tax rate; minus

(B) the school corporation's previous year property tax rate.

STEP TWO: Determine the result of:

(A) the school corporation's target general fund property tax rate determined under IC 21-3-1.7-6.8; multiplied by

(B) the quotient resulting from:

- ~~(H)~~ (i) the absolute value of the result of the school corporation's adjustment factor minus one (1); divided by
- (ii) two (2).

STEP THREE: If the school corporation's adjusted target property tax rate:

- (A) exceeds the school corporation's previous year property tax rate, perform the calculation under STEP FOUR and not under STEP FIVE;
- (B) is less than the school corporation's previous year property tax rate, perform the calculation under STEP FIVE and not under STEP FOUR; or
- (C) equals the school corporation's previous year property tax rate, determine the levy resulting from using the school corporation's adjusted target property tax rate and do not perform the calculation under STEP FOUR or STEP FIVE.

STEP FOUR: Determine the levy resulting from using the school corporation's previous year property tax rate after increasing the rate by the lesser of:

- (A) the STEP ONE result; or
- (B) the sum of:
 - ~~(H)~~ **fifteen (i) five cents (\$0.15); (\$0.05);** plus
 - (ii) if the school corporation's adjustment factor is more than one (1), the STEP TWO result.

STEP FIVE: Determine the levy resulting from using the school corporation's previous year property tax rate after reducing the rate by the lesser of:

- (A) the absolute value of the STEP ONE result; or
- (B) the sum of:
 - ~~(H)~~ **(i) twenty-five nine cents (\$0.25); (\$0.09);** plus
 - (ii) if the school corporation's adjustment factor is less than one (1), the STEP TWO result.

STEP SIX: Determine the result of:

- (A) the STEP THREE (C), STEP FOUR, or STEP FIVE result, whichever applies; plus
- (B) an amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

The maximum levy is to include the portion of any excessive levy and the levy for new facilities.

(c) For purposes of this section, "total assessed value", as adjusted under subsection (d), with respect to a school corporation means the total assessed value of all taxable property for ad valorem property taxes first due and payable during that year.

(d) The state board of tax commissioners may adjust the total assessed value of a school corporation to eliminate the effects of appeals and settlements arising from a statewide general reassessment of real property.

(e) The state board shall annually establish an assessment ratio and adjustment factor for each school corporation to be used upon the review and recommendation of the budget committee. The information compiled, including background documentation, may not be used in a:

- (1) review of an assessment under IC 6-1.1-8, IC 6-1.1-13, IC 6-1.1-14, or IC 6-1.1-15;
- (2) petition for a correction of error under IC 6-1.1-15-12; or
- (3) petition for refund under IC 6-1.1-26.

(f) All tax rates shall be computed by rounding the rate to the nearest one-hundredth of a cent (\$0.0001). All tax levies shall be computed by rounding the levy to the nearest dollar amount.

SECTION 83. IC 21-1-30-3, AS AMENDED BY P.L.3-2000, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2002]: Sec. 3. (a) The amount to be distributed to a school corporation under this chapter is the amount determined by the following formula:

STEP ONE: Determine the applicable target pupil teacher ratio for the school corporation as follows:

(A) If the school corporation's at-risk index is less than seventeen hundredths (0.17), the school corporation's target pupil teacher ratio is eighteen to one (18:1).

(B) If the school corporation's at-risk index is at least seventeen hundredths (0.17) but less than twenty-seven hundredths (0.27), the school corporation's target pupil teacher ratio is fifteen (15) plus the result of:

(i) determine the result of twenty-seven hundredths (0.27) minus the school corporation's at-risk index;

(ii) determine the item (i) result divided by one-tenth (0.1); and

(iii) determine the item (ii) result multiplied by three (3).

(C) If the school corporation's at-risk index is at least twenty-seven hundredths (0.27), the school corporation's target pupil teacher ratio is fifteen to one (15:1).

STEP TWO: Determine the result of:

(A) the ADM of the school corporation, as determined under section 2(2) of this chapter, in kindergarten through grade 3 for the current school year; divided by

(B) the school corporation's target pupil teacher ratio, as determined in STEP ONE.

STEP THREE: Determine the result of:

(A) the total regular general fund revenue (the amount determined in STEP ONE of IC 21-3-1.7-8) multiplied by seventy-five hundredths (0.75); divided by

(B) the school corporation's total ADM.

STEP FOUR: Determine the result of:

(A) the STEP THREE result; multiplied by

(B) the ADM of the school corporation, as determined under section 2(2) of this chapter in kindergarten through grade 3 for the current school year.

STEP FIVE: Determine the result of:

(A) the STEP FOUR result; divided by

(B) the staff cost amount.

STEP SIX: Determine the greater of zero (0) or the result of:

(A) the STEP TWO amount; minus

(B) the STEP FIVE amount.

STEP SEVEN: Determine the result of:

(A) the STEP SIX amount; multiplied by

(B) the staff cost amount.

STEP EIGHT: Determine the greater of the STEP SEVEN amount or the school corporation's guaranteed amount.

STEP NINE: **This STEP does not apply to a school corporation that did not participate in the primetime program during the previous calendar year and that is located in a county having a population of more than thirty-seven thousand (37,000) but less than thirty-seven thousand eight hundred (37,800).** Determine the lesser of:

(A) the STEP EIGHT amount; or

(B) the amount the school corporation received under this chapter for the previous calendar year multiplied by one hundred ~~thirteen two and five-tenths~~ percent (~~132.5%~~) **(102.5%)**.

For 2000 calculations, the amount the school corporation received under this chapter for the previous calendar year is the 1999 calendar year allocation, before any penalty was assessed under this chapter.

(b) The amount received under this chapter shall be devoted to reducing class size in kindergarten through grade 3. A school corporation shall compile class size data for kindergarten through grade 3 and report the data to the department of education for purposes of maintaining compliance with this chapter.

SECTION 84. IC 21-3-1.7-6.6, AS AMENDED BY P.L.273-1999, SECTION 133, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2002]: Sec. 6.6. For purposes of this chapter, a school corporation's "adjusted ADM" for the current year is the result determined under the following formula:

- (1) IC 6-2.1 (gross income tax);
- (2) IC 6-3-1 through IC 6-3-7 (adjusted gross income tax);

The amount of the credit carryover from a taxable year shall be reduced to the extent that the carryover is used by the taxpayer to obtain a credit under this chapter for any subsequent taxable year. A taxpayer is not entitled to a carryback.

Sec. 9. If a pass through entity does not have state income tax liability against which the tax credit may

be applied, a shareholder or partner of the pass through entity is entitled to a tax credit equal to:

- (1) the tax credit determined for the pass through entity for the taxable year; multiplied by
- (2) the percentage of the pass through entity's distributive income to which the shareholder or partner is entitled.

(1) For 2001, the previous year's revenue determined without regard to IC 21-3-1.6-1.2, as added by this act, shall be reduced by an amount determined under the following STEPS:

STEP ONE: Determine the difference between:

(A) the school corporation's average daily membership count for 2000, without regard to IC 21-3-1.6-1.2, as added by this act; minus

(B) the school corporation's average daily membership count for 2000, as adjusted by the school corporation under this act after applying IC 21-3-1.6-1.2, as added by this act.

STEP TWO: Determine the result of:

(A) the school corporation's previous year's revenue under IC 21-3-1.7-3.1, without regard to IC 21-3-1.6-1.2, as added by this act; divided by

(B) the school corporation's average daily membership for 2000, without regard to IC 21-3-1.6-1.2, as added by this act.

STEP THREE: Multiply the STEP ONE result by the STEP TWO result.

STEP FOUR: Multiply the STEP THREE result by one-third (1/3).

(2) For 2002, the previous year revenue determined without regard to IC 21-3-1.6-1.2, as added by this act, shall be reduced by an amount equal to the result under STEP FOUR of subdivision (1) multiplied by one and three-hundredths (1.03).

(3) For 2003, the previous year revenue determined without regard to IC 21-3-1.6-1.2, as added by this act, shall be reduced by an amount equal to the reduction amount under subdivision (2) multiplied by ~~one and three-hundredths (1.03)~~ **the percentage by which the school corporation's previous year revenue was multiplied in the previous year under IC 21-3-1.7-6.7 STEP FIVE (B).**

(b) This SECTION expires January 1, 2004.

STEP ONE: Determine the school corporation's adjusted ADM under IC 21-3-1.7-6.6 for ~~2001~~ **the current year**. For purposes of determining adjusted ADM for ~~2001~~ **the current year**, 2000 ADM is without regard to IC 21-3-1.6-1.2.

STEP TWO: Determine the difference between:

(A) the school corporation's average daily membership count for 2000, without regard to IC 21-3-1.6-1.2, as added by this act; minus

(B) the school corporation's average daily membership count for 2000, as adjusted by the school corporation under this act after applying IC 21-3-1.6-1.2, as added by this act.

STEP THREE: Multiply the STEP TWO result by:

(A) twenty-seven percent (27%) in 2001;

(B) forty percent (40%) in 2002 and in 2003; and

(C) twenty percent (20%) in 2004.

STEP FOUR: Determine the greater of zero (0) or the result of:

(A) the school corporation's average daily membership count for ~~2001~~ **the current year**; minus

(B) the school corporation's average daily membership count for 2000, as adjusted by the school corporation under this act after applying IC 21-3-1.6-1.2, as added by this act, regardless of the effective date of IC 21-3-1.6-1.2.

STEP FIVE: Multiply the STEP FOUR result by:

- (A) twenty-seven percent (27%) **in 2001;**
- (B) **forty percent (40%) in 2002 and in 2003; and**
- (C) **twenty percent (20%) in 2004.**

STEP SIX: Determine the greater of zero (0) or the result of:

- (A) the STEP THREE result; minus
- (B) the STEP FIVE result.

STEP SEVEN: Determine the result of:

- (A) the STEP ONE result; minus
- (B) the STEP SIX result.

"SECTION 113. IC 6-1.1-20.9-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2001];

Sec. 2. (a) Except as otherwise provided in section 5 of this chapter, an individual who on March 1 of a particular year either owns or is buying a homestead under a contract that provides the individual is to pay the property taxes on the homestead is entitled each calendar year to a credit against the property taxes which the individual pays on the individual's homestead. However, only one (1) individual may receive a credit under this chapter for a particular homestead in a particular year.

(b) The amount of the credit to which the individual is entitled equals the product of:

- (1) the percentage prescribed in subsection (d); multiplied by
- (2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, which is attributable to the homestead during the particular calendar year.

(c) For purposes of determining that part of an individual's property tax liability that is attributable to the individual's homestead, all deductions from assessed valuation which the individual claims under IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's homestead is located must be applied first against the assessed value of the individual's homestead before those deductions are applied against any other property.

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

| YEAR | PERCENTAGE OF THE CREDIT |
|--|-----------------------------|
| 1996 | 8% |
| 1997 | 6% |
| 1998 through 2001 2002 | 10% |
| 2002 2003 and thereafter | 4% |

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year, if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless as provided in this subsection the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

(e) Before October 1 of each year, the assessor shall furnish to the county auditor the amount of the assessed valuation of each homestead for which a homestead credit has been properly filed under this chapter.

(f) The county auditor shall apply the credit equally to each installment of taxes that the individual pays for

the property.

(g) Notwithstanding the provisions of this chapter, a taxpayer other than an individual is entitled to the credit provided by this chapter if:

- (1) an individual uses the residence as the individual's principal place of residence;
- (2) the residence is located in Indiana;
- (3) the individual has a beneficial interest in the taxpayer;
- (4) the taxpayer either owns the residence or is buying it under a contract, recorded in the county recorder's office, that provides that the individual is to pay the property taxes on the residence; and

"SECTION 94. IC 21-3-1.7-6.7, AS AMENDED BY P.L.273-1999, SECTION 134, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2002]: Sec. 6.7. **(a) For each school corporation, the index used in subsection (b) is determined under the following STEPS:**

STEP ONE: Determine the greater of zero (0) or the result of the following:

(1) Multiply the school corporation's at risk index determined under IC 21-3-1.8-1.1 by twenty-three hundredths (0.23) in 2002 and twenty-five hundredths (0.25) in 2003.

(2) Divide the result under subdivision (1) by three thousand seven hundred thirty-six ten-thousandths (0.3736).

(3) Subtract three hundred sixty-four ten-thousandths (0.0364) in 2002 and three hundred ninety-five ten-thousandths (0.0395) in 2003 from the result under subdivision (2).

STEP TWO: Determine the greater of zero (0) or the result of the following:

(1) Multiply the percentage of the school corporation's students who were eligible for free lunches or reduced price lunches in the school year ending in 2001 by twenty-three hundredths (0.23) in 2002 and twenty-five hundredths (0.25) in 2003.

(2) Divide the result under subdivision (1) by seven hundred twenty-three thousandths (0.723).

STEP THREE: Determine the greater of zero (0) or the result of the following:

(1) Multiply the percentage of the school corporation's students who were classified as limited English proficient in the school year ending in 2000 by twenty-three hundredths (0.23) in 2002 and twenty-five hundredths (0.25) in 2003.

(2) Divide the result under subdivision (1) by one thousand seven hundred fifteen ten-thousandths (0.1715).

STEP FOUR: Determine the result of:

(1) the sum of the results in STEPS ONE through THREE; divided by

(2) three (3).

STEP FIVE: Determine the result of one (1) plus the STEP FOUR result.

(b) A school corporation's target revenue per ADM for a calendar year is the result determined under STEP SIX of the following formula:

STEP ONE: Determine the result under clause (D) of the following formula:

(A) Divide the school corporation's at-risk index determined under IC 21-3-1.8-1.1 by three (3).

(B) Add one (1) to the clause (A) result.

(C) Multiply the result determined under clause (B) by four thousand seventy-nine dollars (\$4,079) in 2000 and four thousand two hundred sixty-seven dollars (\$4,267) in 2001.

(D) Multiply the clause (C) product by the school corporation's adjusted ADM for the current year of:

(1) four thousand four hundred fifty-five dollars (\$4,455) in 2002 and four thousand five hundred forty-five dollars (\$4,545) in 2003; multiplied by

(2) the index determined for the school corporation under subsection (a).

STEP TWO: Divide the school corporation's previous year revenue by the sum of:

(1) the school corporation's adjusted ADM for the previous year; plus

(2) in 2002, the number of students from the school corporation who in 2001 were transfer students attending a school corporation that was subject to P.L.32-1999 and that ceased to exist in 2001.

STEP THREE: Multiply the sum of one (1) plus the school corporation's at-risk index by the following:

(A) If the STEP TWO result is not more than:

(i) four thousand one hundred one dollars (\$4,101) in 2000; and

(ii) four thousand two hundred ninety dollars (\$4,290) in 2001;

multiply by one hundred dollars (\$100).

(B) If the STEP TWO result is:

(i) more than four thousand one hundred one dollars (\$4,101) and not more than four thousand eight

hundred eighty-five dollars (\$4,885) in 2000; or
(ii) more than four thousand two hundred ninety dollars (\$4,290) and not more than five thousand seventy-seven dollars (\$5,077) in 2001;
multiply by the result under clause (C):

(C) Determine the result of:

(i) the STEP TWO result minus four thousand one hundred one dollars (\$4,101) in 2000 and four thousand two hundred ninety dollars (\$4,290) in 2001;

(ii) Divide the item (i) result by seven hundred eighty-four dollars (\$784) in 2000 and seven hundred eighty-seven dollars (\$787) in 2001;

(iii) Multiply the item (ii) result by thirty dollars (\$30);

(iv) Subtract the item (iii) result from one hundred dollars (\$100):

(D) If the STEP TWO result is more than:

(i) four thousand eight hundred eighty-five dollars (\$4,885) in 2000; and

(ii) five thousand seventy-seven dollars (\$5,077) in 2001;

multiply by seventy dollars (\$70): **index determined for the school corporation under subsection (a) by seventy-five dollars (\$75) in 2002 and eighty dollars (\$80) in 2003.**

STEP FOUR: Add the STEP TWO result and the STEP THREE result. Determine the result of:

(1) one and one-hundredth (1.01); multiplied by

(2) the result of:

(A) the school corporation's previous year revenue; divided by

(B) the school corporation's previous year ADM.

STEP FIVE: Determine the greatest of the following:

(A) Multiply (1) The result of:

(A) the STEP TWO result plus the STEP FOUR THREE result; multiplied by

(B) the school corporation's adjusted ADM for the current year.

(B) If the school corporation's previous year revenue divided by the school corporation's previous year ADM is:

(i) less than five thousand two hundred twenty-seven dollars (\$5,227) for 2000 and five thousand five hundred eighteen dollars (\$5,518) for 2001; multiply the school corporation's previous year revenue by one and three-hundredths (1.03); or

(ii) at least five thousand two hundred twenty-seven dollars (\$5,227) for 2000 and five thousand five hundred eighteen dollars (\$5,518) for 2001; multiply the school corporation's previous year revenue by one and twenty-five thousandths (1.025):

(C) The STEP ONE amount:

(2) The sum of:

(A) the STEP ONE result multiplied by the school corporation's adjusted ADM for the current year; plus

(B) the sum of:

(i) An amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

(ii) The original amount of any excessive tax levy the school corporation imposed as a result of the passage, during the preceding year, of a referendum under IC 6-1.1-19-4.5(c) for taxes first due and payable during the year.

(iii) The portion of the maximum general fund levy for the year that equals the original amount of the levy imposed by the school corporation to cover the costs of opening a new school facility

during the preceding year.

(3) The result of:

(A) the school corporation's current year ADM; multiplied by

(B) the STEP FOUR result.

STEP SIX: Divide the STEP FIVE amount by the school corporation's adjusted ADM for the current year."
